CEILING EXHAUST FAN

Best-in-class premium quality product

Vortex Ventilation

Pure Copper Wire Motor

ABS Engineering Plastic Panel

The quality bronze roulette is steady, mute and safe.

The ventilation design of Archimedes worm wheel automatically shuts the non-return valve when the fan stops working to prevent the polluted gas from flowing backwards.

The fan has more efficient and smoother ventilation.

The plastic counter plate is made of durable ABS.

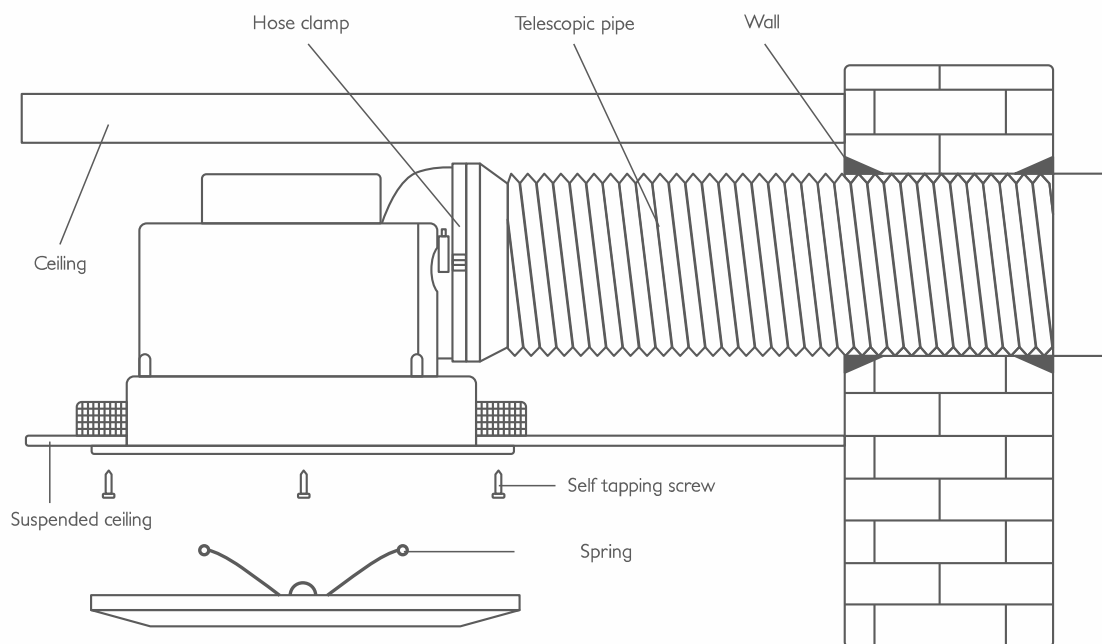

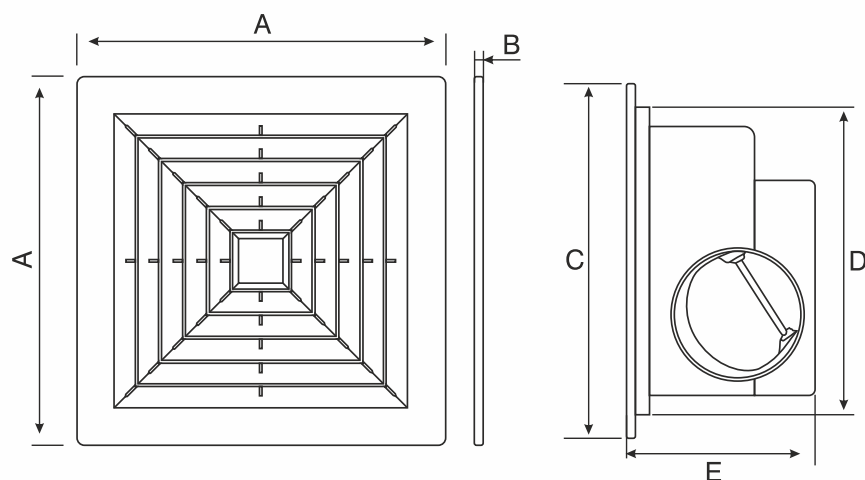

Premium quality ventilation fan, that fits to your needs!

It is applicable to the indoor ventilation of houses, schools, hotels, shopping malls and places of entertainment.
